

Switch 1

VLAN Membership

Options	VLAN ID	1	▼ Gro													
Port	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Port 4 connects to Peplink Router and it is **not** included in vlan 1

Switch 4

VLAN Membership

Options	VLAN ID	1	▼ Group Operation					
Ports	1	2	3	4	5	6	7	8
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Port 7 **IS** included in vlan 1 – I think this should be empty like switch 1 port 4.
