Certificate of Compliance – EU REACH Regulation EC 1907/2006

NETGEAR®

(In accordance with ISO/IEC 17050-1:2004)

NETGEAR Incorporated, 350 E. Plumeria Drive, San Jose, CA 93154

NETGEAR certifies that the product JGS516 is, to the best of our knowledge, compliant with the applicable requirements of the Regulation EC 1907/2006 of the European Parliament Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals.

NETGEAR has been working with its suppliers and partners to implement the EU REACH Regulation and has a program in place.

To our knowledge NETGEAR products do contain lead, CAS # 7439-92-1 > 0.1% by wt in a component within the product per newly defined “article within an article”. However the total amount of the substance present in all components as articles produced and/or imported do not exceed 1 ton per year therefore the notification is not required as per the conditions outlined under Article 7(2).

This certificate is for informational purposes only, does not constitute a legal representation and does not create or confirm the existence of any liabilities or obligations of NETGEAR.
